

Talking with Tots

A Small Group Intervention Program to
Support Early Speech and Language Development

at Kids in Motion Pediatric Therapy
18512 Hawthorne Blvd., Torrance, CA. 90504

310-371-8555

www.mykidsinmotion.com

Space is limited-pre-registration required

This parent-child group intervention program facilitated by a licensed speech language pathologist provides parent education and guided practice of strategies to facilitate speech and language development in the toddler population. The fun, themed format of the group focuses on providing parents with language stimulation techniques that can be adapted for use in daily activities.

WHO: Children 18 months-3 years of age that present with mild-moderate language impairments (i.e., difficulty understanding language or using limited vocabulary)

WHEN: One hour group classes held on a weekly basis. Please contact Kids in Motion Pediatric Therapy for available dates and times.

WHERE: Kids in Motion Pediatric Therapy
18512 Hawthorne Blvd.
Torrance, CA. 90504

COST: \$39 per class. Additional programs funded by Regional Center and/or private insurance are available for qualifying families.
Space is limited- Pre-registration required.
